

MINISTRY REPRESENTATIVE INFORMATION

Thank you for your interest in representing your ministry at Harvest Rally. Below you will find the information you need to prepare for a successful day.

General

We ask that any ministry interested in coming agree with our doctrinal beliefs. The cost to represent ministry at the rally is \$200. Please register here as soon as possible. Registration provides your ministry with an 8' table under one of the Colleges and Camps tents, the chance to offer giveaways, and your college logo featured on the Harvest Rally website and elsewhere.

Locations

Event Address

Buckeye Teen Harvest Rally
998 Beal Road, Mansfield, OH 44905

Host Church Address

Dress Code

Since the rally is outdoors, nice casual is standard. You are welcome to wear a tie if you would like, but sometimes representatives get involved in the activities.

Miscellaneous

The college and camps tables are under the small tents closest to the main tent. You are allowed to drive to the tables before 8:30, but for safety reasons do not drive on the field when people are present.

You may set up or leave materials at the field the night before, although there is no security overnight.

If your ministry is doing giveaways, our emcee (CoBeAc staff) will collect the item(s) and name(s) of the winner before the final service at 4:00pm.

You are given an 8' table to display your ministry's material, but there is adequate room for other banners or displays, provided they are not wider than 10'. Prior approval is required for larger displays. Please give us advance notice if you would need something other than an 8' table.
